The colliery shaft is sunk to the required depth, as shown here. The rock and earth is shovelled into the kibble, which is a large bucket used to raise the waste from the mine shaft to the surface.

Working deep underground the safety of the miners is paramount, and here engineers install girders that will make the tunnels safe and prevent rock falls.

## The Coal Mine - Derek Slater

In this unique picture book the story of the coal mine is told through the dramatic paintings of Pitmen painter Derek Slater an ex miner himself. His telling of the story and visual portrayal of the pitman at work in the cramped and hazardous conditions deep below ground, are captured by strong brush strokes and attention to detail that only someone who has experienced life underground can. Rockpool Children's Books first non fiction book!

# TORNADO

THE BUILDING OF A STEAM LOCOMOTIVE

Tornado is a 21st century steam locomotive. The first main line steam locomotive built in the UK since 1960, Tornado made headlines as it steamed for the first time in 2008.

In just over 10 years, the engine has continued to impress, hauling Royal Trains and appearing on the big screen in Paddington2 as well as on numerous television programmes including Top Gear.

Tornado is also the fastest steam engine to run since the 1960s, reaching 100mph on a test train in 2017.

# bear

Bear lives in the woods. He rarely saw another bear, he rarely saw anyone. It was a bit lonely being a bear in the woods. Then one crisp autumn day, as he was preparing for winter, he stumbled across something unexpected: a family camping in his woods! Curious and ever so friendly, Bear decided to approach and say "Hello". Surprised by their response, so begins Bears grand adventure. A tale of misunderstanding, kindness, and the timeless message of 'waste not, want not!'.

## 'The Nutcracker and the Mouse King'

On Christmas Eve, young Clara Stahlbaum's favourite toy, the Nutcracker, miraculously comes to life. At midnight, Clara is swept into an adventure as her Nutcracker transforms into a valiant soldier, defeating the menacing Mouse King in battle. With the Mouse King vanquished, the Nutcracker reveals himself as a hand-some prince and whisks Clara away to a winter wonderland. She is mesmerized by a spectacle of dancing snowflakes and transported to the Land of Sweets, ruled by the graceful Sugar Plum Fairy. In this magical kingdom, Clara is honoured with a grand celebration, featuring enchanting performances by characters from around the world. Surrounded by charming dolls brought to life, Clara experiences the true essence of Christmas magic, leaving her with unforgettable memories and a heart full of festive wonder.

# The Sloth

Sloth is soooooo slow. While the other animals in the forest run, leap, swim, and climb with boundless energy, Sloth takes his time, moving along at his own unhurried pace.

The world around him seems to fly by in a blur of activity, but Sloth remains content in his leisurely approach to life. One day, a great danger looms over the forest, threatening the safety of all its inhabitants. The fast and agile creatures scramble in panic, unsure of how to protect their home. Amid the chaos, it is Sloth, with his calm demeanour and steady determination, who comes up with a clever plan. Through his unexpected heroism, Sloth teaches everyone that every creature has its own strengths, and that patience and thoughtfulness can save the day in the most extraordinary way.
